

# INSPIREUS EXPLORING STEM EVENT

SATURDAY, NOV. 21 2020 | 11:00 AM - 4:30 PM CST

Join us for **INSPIREus' virtual Exploring STEM event** on Zoom, where we'll spend the day diving into science and engineering! You'll have the chance to explore topics such as biology, chemistry, and engineering through engaging activities, including an individualized project to win a gift card for a STEM pursuit! You'll also be able to bring questions to a student panel on pursuing STEM in high school and beyond.

**This virtual event is entirely free and open to all middle school students!**

**SIGN UP BY NOV. 14TH BY VISITING OUR EVENT PAGE AT [INSPIRE-US.ORG/EXPLORING-STEM](https://inspire-us.org/exploring-stem)**
